## Gingin

14th August 2015 10am

### Farm Walks 10am

Meet at Tom Berrigan's property "Creighton Farm" 136 Creighton Rd "Transforming deep sandy soils with subtropical perennial grass pastures"

Then we will travel to Steve Neville's "Old Bambun" Bambun Rd "Renovating low lying flat country with a range of annual clovers and ryegrass"

At 12.30 lunch will be served at the Gingin Recreation Centre, with presentations following

SPEAKER	TOPIC
Andrew Heinrich <i>Making More From Sheep</i>	<b>The challenges and rewards of farming on Kangaroo Island</b> – a farmer's view of how he manages the challenges Mother Nature presents to his business on a day to day basis
Brad Nutt	<b>Serradella – a perfect fit for this country</b> , but you've got to get the right plant for the right place with the right management.
Phil Nichols, DAFWA	<b>Sub clovers and their attributes</b> – an important part of the system in this region and Phil will explain why and how to make them work for you
Cameron Allan, MLA	<b>MLA Tools and programmes</b> – How they fit and can assist your decision making process
Bendigo Bank representative	<b>Building your whole farm asset</b> – improving the whole farm to manage risk and build your asset base
Ron Summers, DAFWA	<b>Whole farm nutrition (P, K &amp; ph)</b> – it's all very well getting the plants established, but let's look at the work done to get the most out of the plants through effective nutrition
Kirk Reynolds, CSBP	<b>Matching animal systems to pasture systems.</b> Do you know your cost of production for your pastures? Learn how to match what you grow in the soil with what you grow on four legs.
Bob Wilson David Roe Graham Johnston	<b>Farmer Panel</b> Always a favourite for Pasture Updates - hear how three farmers in your area, that each run different systems, are handling this season and setting up for next year.
