

Business Discussion Groups

One year on – where are they now

Danielle England, AgInnovate, Narrogin

Where are we now?

Grain & Graze 3 Activity Locations

Other areas, industries & countries

Who's involved in WA?

The nuts & bolts

"It is not a bunch of bare-chested hillbillies making moonshine and sticking seeds into the ground every now and then.

"Agriculture is (a range of) complex systems, so there's a huge amount of knowledge and so many interactive fields you have to bring together."

Dr Karl Kruselnicki

Reducing the risk in decision making

On-farm decisions are more than just about the business
