

Dumbleyung Farmsafe WA Alliance Safety Awareness Session

Presented by OSH Professional - Steve Taylor

Date: Wednesday 09/09/2015 Time: 6pm to 8pm

Venue: Dumbleyung CRC Cost - \$ 88.00 (inclusive GST) per person

Topic: **Health and Safety Risk Assessment & Legislative Requirements**

- **Do you** have employees (including family), use contractors, casual or seasonal labour?
- **How would you** cope if a family member or one of your workers was to be involved in a significant accident on your property or your business premises?
- **If WorkSafe needed to investigate an accident, would you** be able to provide to the evidence required to show that you had, as far as practicable, assessed the risk and put the necessary controls in place to have avoided the accident?

This practical 2 hour Safety Awareness Session is designed to help employers and organisations understand their Duty of Care and how to take Reasonable Steps to prevent accidents in the workplace through the implementation of the following legislative requirements

Consultation with workers
Risk Assessment
Hazard Identification
Risk Control

Induction & Training
Supervision
Monitoring & Recording
Injury & Illness reporting - and more

- Take home practical OSH tools that are simple to use and easy to implement.
- Learn how Prompt Safety Solutions can tailor solutions to meet your needs.
