

making a mixed farming system work for you

Regional Farm Business Risk Forum

A forum for growers, advisors and researchers

Wednesday 27th July 2016

NORTHAM

8.30am coffee, 9am start

Registration is free

Hear the latest business research into:

Climate and business risk

The effect of age and personalities on decision making

Managing the variability of returns

Using different asset allocations to manage risk

Hear the latest in Grain & Graze and industry research into farm business risk and decision making, combined with real-life examples from growers and other family businesses outside agriculture.

Please register by emailing projects@aginnovate.com.au
