

NOMINATE NOW!

www.awardsaustralia.com

Seeking nominations for young people up to and including 29 years of age for the Western Australian Young Achiever Awards.

WAFARMERS

We're backing farmers

Agriculture Award

The WAFarmers and Rural Bank Agriculture Award applauds our unsung heroes and high achievers working on land or marine farming who work tirelessly to provide us with food and drink. Agriculture is the back bone of our communities. Our highly diversified dairy, farming, sheep and cattle industries have a reputation for products that are internationally competitive and among the finest in the world.

Nominees for this category can be involved in any area of agriculture including production, education, leadership, natural resource management, environmental protection, marketing, trade, export, research, innovation and development.

The Agriculture Award presents an opportunity for our community to acknowledge those who are involved in the life blood of the land.
