DataSmart workshop

Workshop delivered by **Debbie Milne**
of Richmond Hill Agribusiness

Pedigree Master workshop (data management software package),
one day workshop for stud sheep breeders.

Course content

Understand Australian Sheep Breeding Values (ASBVs) and improve your data quality:

- what is an ASBV and how is it calculated
- improve accuracy, develop linkage and utilise management groups
- use ASBVs for faster genetic gain.

Pedigree master software:

- enter and update data
- create reports and track progress
- validate data and send to Sheep Genetics.
