\$15 registration fee

Registrations to Jan Clawson on 0407 990 497 or janclawson@bigpond.com

'Show us your Nods!' Competition

Bring along a legume pasture plant with the biggest and best nodules you can find for your chance to be crowned the 2018 Nod King. Judges will present the award for the pasture plant with the biggest & healthiest nodules on a legume plant, because size isn't everything! Only plants commonly used for grazing are eligible.
