

# Safe Farms ~ Safe Families

## The workshop content includes:

- Visitors and children on farms – what you need to know
- How to prepare for a farm safety audit
- Vehicle movement – on and off the road
- The safe use of Chemicals (eg in the garden and on farm)
- Transporting Dangerous Goods plus Chain of Responsibility Legislation

**The workshop will be practical and comprehensive. It will help you to improve your awareness of risks and legal responsibilities and increase efficiencies in your business.**

**Monday 11<sup>th</sup> March  
10.00am – 2.30pm**
