

Oat Research Field Walk

11am - 3pm

Thursday 19th September 2019

An essential day for the oat grain or hay producer, with 5 oat specific trials.

- ✓ Hay oat variety launch - Pamela Zwer, Oat breeder.
- ✓ 1) Plant growth regulator use in oats, and 2) April sown oats – best bet agronomy – Georgie Troup, Oat agronomist.
- ✓ Disease management update, and variety resistance – Geoff Thomas, Oat pathologist.
- ✓ Herbicide options – Trent Butcher, ConsultAg
- ✓ Nutrition research – CSBP

Address: Signs off Whinbin Rock Rd to Morcombe Rd, Highbury

RSVP: Fiona, ConsultAg on 6253 2000 or fiona@consultag.com.au
